### Al Trace

### Made Hit Parade With Mairzy Doats

by Lynn D. Dillow

In 1943 it was Al Trace whose recording of "Mairzy Doats" made that little ditty the number one tune on the hit parade for 18 consecutive weeks. In 1948 it was Al Trace who wrote and recorded "You Call Everybody Darlin'," another song hit of the year.

It will be this same Al Trace who brings his "Shuffle Rhythm" orchestra to SIU for a danceable, listenable evening of dance rhythm and comedy entertainment for Southern's 1951 Homecoming.

Trace and his orchestra, featuring the "Silly Symphonists" and a group of vocal and instrumental headliners, have been known to really "pack 'em in" wherever they play.

**AL IS NOT** surprised by this success. "We always knew this music was in for keeps," he says. "Other stuff comes and goes, but this is the people. We give them a good time and we play stuff they can dance to."

Born in Chicago, Al Trace once thought baseball would be his career, until he decided to bat drums in place of balls. After writing songs and running material for the WLS National Barn Dance, he founded his own band.

### Homecoming House Decoration Entries Total Seventeen

Seventeen houses are being decorated for the Homecoming festivities this year, reported Jim Campbell, house decoration committee chairman.

Judging will be held from three o'clock this afternoon until nightfall. This is a change from previous years when two judgments were held, one at night and one the following morning.

In the class "A" division there are eight entries—four men and four women's organizations. Men's class "A" group includes fraternities Sigma Pi, Kappa Delta Alpha, Chi Delta Chi, and Tau Kappa Epsilon. In the women's class "A" section there are Delta Sigma Epsilon, Pi Kappa Sigma, and Sigma Sigma Sigma sororities, and Anthony Hall.

**THERE ARE NINE** entries in the class "B" division of the contest. Included are Randle's Ranch, Miller's Dorm, Little Brown Jug, Manor House, and Sigma Tau Gamma in the men's class. In the women's class "B" there are Tower Hall, Spider Web, Turner 12, and Johnson's Co-op.

In class "A" competition the best decorated house will receive the first place trophy. The same is true of class "B" competition. The winner of second place will receive a plaque in both classes. Third place will receive honorable mention. The presentation of the awards will be made at the Homecoming football game Saturday afternoon.

### SIU Dance Band Is Reorganized

Furnishing music for the Freshman bonfire tonight will be a newly-reorganized university dance band of 13 members.

The band, which also played at the Freshman assembly Wednesday, was actually formed two years ago, but was dropped because of lack of both funds and interest.

**MEMBERS INCLUDE:** trumpet—Phillip Olsson, Charles Keaton, Gardner Bride, and Bob Hoffman; trombone—Gene Stiman, Boyd LaMarsh, Lee Jacobson, and Paul (Bud) Randolph; saxophone—Robert Resnick, Jack Gaal, Dick Ward, John Mulkin, and Sue Nauer.

Future plans for the band include a jazz concert for the purpose of raising money to buy other arrangements for the band, whose music is now being arranged by Mr. Olsson and Gene Stiman.

## SIU's 1951 Homecoming Launched With Dance

Another event-packed Homecoming week-end at Southern, in which more than 7,500 students, alumnae, and guests are expected to participate, was launched last night at 8 p.m. with an informal dance at the student center.

According to Glen Bean, Homecoming chairman from Roxana, Southern's '51 Homecoming is expected to be "one of the best we've had." The main events of the festivity are to be the parade, football game with Eastern Illinois State college, organizational reunions, the concert, and the annual Homecoming dance including the coronation ceremonies.

House decorations, which are annually displayed as a part of the event by the various sorority, fraternity, and independent houses, are being judged today at noon by a group of out-of-town judges.

**THE FOLLOWING** schedule of events has been released by the Dean of Women's Office:

**Friday:** All students and alumni will meet at the Kroger parking lot at 6 p.m. tonight, which is located on North Illinois avenue. They will snake dance from there to the campus. A bonfire pep rally will start at 7 p.m. at McAndrew stadium. Here, students will be greeted by SIU President D. W. Morris, who will deliver the traditional "Phoebic oath" to freshmen.

In a special freshmen assembly held at 4 p.m. Wednesday Harry Evers from Mound City was elected as the typical freshman boy and Pat Madden from Springfield was elected as the typical freshman girl to lead and to represent the freshman class in taking the oath tonight. The SIU jazz band will play for the bonfire program. Lowell Roberts, Chicago, president of the SIU Alumni association, is expected to be present for the ceremony.

**AT 8:30 P.M.** the Little Theatre will present the Homecoming play, "Goodbye, My Fancy," JoAnn Eblen, senior from McLeansboro, Tom Sloan, graduate student from West Frankfort, and Robert Cagle, Metropolis, have the leading roles in the production.

## A Welcome To Alumni . . .

This is your day. Without you there could be no Homecoming; in fact, there would be no University; for whether Southern lives or dies, grows or declines, expands in service or retracts its horizons depends largely upon you—the products of the University and the persons most concerned with SIU and its future.

Southern is where it is today because of your loyalty, the progress and leadership fostered by the faculty and staff, the spirit of its students, and the cooperation of the people of Southern Illinois.

Welcome back to a day of fun, excitement, and reunion. We are glad you want to be here.

Very truly yours,

Delyte W. Morris  
President

## Step Right This Way!

A sight-seeing tour is normally conducted to acquaint new people with familiar sights. Not so at Southern Illinois University! Here, familiar people are acquainted with new sights!

SIU President D. W. Morris is personally conducting weekly tours of the rapidly expanding campus for the benefit of the faculty—for some have difficulty finding who is located where.

A brief two years ago, Southern occupied 10 permanent and 32 temporary buildings and had 285 faculty members. Today, 359 faculty and nearly 3,000 students are using 14 permanent and 55 temporary buildings.

## Debate Main Feature Of Last IRC Meeting

A debate on the high-octaned Near East between students Saad Jaber of Iraq and John Bremer of England was sponsored by the International Relations club as the main feature of their meeting held last night.

Both Bremer and Jaber are scholarship students here at SIU. Jaber has been at the university since 1948 and studied in pre-medicine and then in government, finding time meanwhile to get married, take a trip to Iraq, and organize a Foreign Student's club.

Bremer arrived on the Southern campus only recently. He received his master's degree at Cambridge, England, and now is doing advanced work in educational methods.

## Band Plans Special Show for Homecoming

At the half-time of the Homecoming game Saturday 84 members of the Southern Illinois University band will march onto the field playing "Artistry Jumps."

Midway down the field the twirlers will signal for a right face and the band will face the stands, forming the letters S I U, and play the "Alma Mater" in honor of the Alums.

In conjunction with the Homecoming dance that night and the crowning of the Queen, the band will form a crown and play "Sweetheart of Sigma Chi."

A march, "Americans We," will also be played at half-time for the purpose of recommending it as the new school loyalty song.

Your favorite records, old and new—we have the kind that just suits you; Your favorite artists play and sing sweet and slow, or jazz and swing.

## SIU To Be Selective Service Test Center

Southern Illinois University has been asked to serve again as a Selective Service Qualification testing center under the College Qualification Test program, according to President D. W. Morris.

Purpose of the test is to determine whether or not a registrant under the Selective Service Act may be considered for deferment from military service as a student. SIU will serve not only its own men students in giving the tests but college students from other schools in the area as well.

Any college student who is a registrant under the Selective Service Act and has not reached his 26th birthday may apply for the test by obtaining an application postal card and bulletin of information from any Selective Service Local Board. The student is responsible for mailing his application postcard as soon as possible.

The examinations are scheduled for Dec. 13, 1951, and April 24, 1952. Applications for the Dec. 13 test must be postmarked no later than midnight Nov. 5, 1951.

Robert F. Etheridge, assistant dean of men, will administer the tests.

## At Last—

## Men's Dorm Gets Heat, Hot Water

"The heat is on!" was the cry last week from 132 joyful male students housed in the new barracks dormitories here at Southern Illinois University.

The day marked the final connection of the dormitory area with the university's power plant by a temporary two-inch steam line under the Illinois Central railroad, which separates the barracks area from the main campus. For the first time this fall the residents have heat and hot water.

William Rogge, supervisor, points out that the project alleviates slightly the critical housing shortage at SIU, where the only permanent dormitory is Anthony Hall which is for women.

New equipment for the buildings is now arriving, Rogge points out. These include chests for each sleeping room, and a desk and chair for each person in the study rooms. All the men in the six barracks in operation for the fall term have been supplied with such furniture. The big items still expected are sectional davenports and sturdy chairs for the lounge room of each building.

## Draft Boards Require Notices from Colleges

According to the Selective Service draft requirements, no student will be able to get or maintain a deferred or postponed draft status unless the local board receives from his college or university an official notice that he is satisfactorily engaged in pursuing a degree.

The Registrar's office has announced that students who have not already done so should call at the office to request a statement. The Registrar's office has stressed the fact that they need the following information before a statement can be sent: (1) the student's name (2) the student's Selective Service number (3) the draft board number and (4) the draft board address.

## Pledges To Honor Actives at Dance

Pledges from the eight Greek organizations on campus are combining their regular individual parties in honor of active members into one big dance.

The dance, named "Turkey Trot," will be held Nov. 16. Minutiae paddles with the names of the Greek organizations, the name of the dance, and Southern Illinois University imprinted on them will be presented as favors.

Committees for the dance are made up of pledges from the various organizations and are as follows: physical arrangements, Beverly Fox and Paul Muehl; decorations, Carol Elam, Nan VanMeter, Norma Beveridge, and Tim Bowers; refreshments, Jim Scoggins, Diana Davis, and Jim Dowell; finance, Omar Winter, Sally Smyser, Ron Kohler, and Nan VanMeter; favors, Edgar Brock and Bill Evans.

## Articles by SIU Men Appear in Magazine

An article, "Holder for Model Tool Bits" prepared by Shelby Shake, assistant professor in the industrial arts department of University School at Southern Illinois University appears in the Oct., 1951, issue of Industrial Arts and Vocational Education, a shop teachers' professional magazine.

The tool holder, using a few pieces of wood, small screw eyes, and some pull chain such as is used for light switches, is designed to keep model tool bits handy at the grinder in a machine shop.

PLANS AND construction procedures for a wooden kitchen step stool as prepared by Marvin E. Johnson, instructor in industrial education at SIU, and Robert Simpson, Johnston City, a June, 1951, graduate, appears in the same issue of the magazine. The stool includes a back rest and two steps hinged on a wooden dowel, and is suggested as a woodworking project for college classes.

Simpson is now a district auditor for the Martin Oil Company, Carbondale.

## Past Four Years Of Homecomings Are Outstanding

by Marie Ranchino

Homecoming is a mad, confused and happy affair which happens but once a year. (Thank goodness!) Creative genius is at its best during this festive period and competition is keen. Everyone strives to have "the best Homecoming we've ever had." Looking back, the past four years have been particularly outstanding, so far as color, pep, and general enthusiasm are concerned.

The festivities of the 1948 Homecoming were highlighted by the play, "Kiss and Tell," and the Southern-Western football game. Irma Douglas was crowned queen as students and alums danced to the music of Orzie Tucker.

THE 1949 Diamond Jubilee Homecoming was perhaps the most brilliant in Southern's history. Not only the university and local community, but organizations and officials throughout the state contributed their time and talent for this event.

The Homecoming play that year was "The Male Animal;" dance music was provided by Freddie Martin; Delores Sharp was crowned queen, and Southern Maroons were defeated by Eastern, 26-13, before 10,000 spectators.

Perhaps the most outstanding feature of last year's Homecoming was the weather. No rain! The house decorations and parade proved colorful as soap slogans, cows and hens took home the top awards. "Born Yesterday," was the successful Homecoming production. In a hard fought battle, the Maroons tied State Normal 14-14; Doris Wade was queen; and dance music was furnished by Jack Fina.

The Sigma PIs received the official resignation of President Anson Smith at a recent meeting. At the same meeting Jack Robertson Lawler, Lowell O'Daniell, and Harold St. Pierre were appointed members of the pledge committee. Pledge Master Dave Stahlberg will be chairman of this committee. They will be in charge of setting up a pledge program and seeing that it is carried out.

In order to keep in step with the fall season, the Sig PIs have planned an old fashioned hayride for the first Wednesday after Homecoming. They also have plans in the making for a "French Party," which should be quite a gala affair.

The Sigma Pi bowling team consists of Gene Graves, Bill Hunt, Augie Swartz, Osco Jackson, and Jack Robertson Lawler.

Sigma Pi pledges teamed up with the Tau Kappa Epsilon pledges and skipped out with the Delta Sigs last Monday night.

The construction of Sig Pi's float and house decorations is well under way. This year's house decorations will be placed at the corner of Washington and Park streets.

The Sigma PIs are having an open house Homecoming week-end for Alumni. The week-end will be highlighted by a brunch at 8:30 Saturday morning and a smoker at 5 p.m. at the Roberts Hotel.

**PI KAPPA SIGMA** discussed money-making projects at their meeting Monday. Money earned will be used for house improvements. Sale of greeting cards, an ice cream social, and baby sitting with faculty children were Pi Kap projects last year. The sorority voted to hear a special speaker during Religious Emphasis week activities. Connie Meyers, Pi Kap, was elected secretary-treasurer of the junior class last week. Pi Kap alums have been invited to attend the annual alum breakfast at the house Saturday.

**SIGMA TAU GAMMA** has appointed Ted Beardsley to be in charge of the house decorations, and the pledges are in charge of the Homecoming float. There will be a breakfast served for the Sig Tau alums at the chapter house Saturday morning at 9 o'clock.

**ANTHONY HALL** recently created an new office, that of Historian. Jane Fierke, Herrin, was elected to this office. Her job will be to keep all of the Anthony Hall records.

Anthony Hall girls who were elected in the student body elections last Thursday are Jane Hall, vice-president, senior class; Wilma Dummier, secretary-treasurer, senior class; Bette Hanagan, secretary-treasurer, sophomore class; and Pat Madden, secretary-treasurer, freshman class. Anthony Hall girls Pat Marlow and Pat Taylor were elected to the Homecoming Court.

Homecoming chairmen for Anthony Hall are Ruth Gilliland and Jane Fierke, house decorations; and JoAnn Robertson and Gloria Bonali, float decorations.

Anthony Hall resident of last year, Phyllis Provart, has moved back into the Hall, replacing Norma Boezkiewicz, who recently left school. Marge Fugate has moved out of the Hall to live in the Home Management House.

**CHI DELTA CHI** is expecting about fifty alumni back for Homecoming. These Homecoming alumni will be presented with recognition buttons which are being made by the pledge class.

Pledges Paul Mueth and Ron Kohler are working with the pledge classes of all fraternities and sororities to arrange the details of an all-Greek Dance to be held sometime around the end of the term.

The KDA pledge class has challenged the Tau Kappa Epsilon pledges to a rope pulling contest to be decided over the premises of Lake Ridgeway next Saturday immediately following the parade.

Buren Robbins, head of the SIU radio service, will serve on a panel designed to discuss educational television, and Albert J. Croft, instructor of speech at SIU, will present a paper on Henry George and will serve on the resolutions committee.

## J. Paul Sheedy\* Switched to Wildroot Cream-Oil Because He Flunked The Finger-Nail Test

**POOR PAUL** was eggzasperated because every chick on campus gave him the bird. They told him: "We're all cooped up!" Then one day his roommate said: "The hens avoid you beak-cause your hair's messy, you dumb cluck! I don't know feather you've heard of Wildroot Cream-Oil or not, but you better fry it—er, try it! Contains soothing Lanolin. Relieves dryness. Removes loose, ugly dandruff. Helps you pass the Finger-Nail Test." Paul got Wildroot Cream-Oil—and now the gals think he's a good egg! Better lay down a few poultry cents on the nearest drug or toilet goods counter for a bottle or tube of Wildroot Cream-Oil. And ask for it on your hair at your favorite barber shop. Then the girls'll take off their hatch to you!

# Salukis Seek First Win at Homecoming

by Sherman Doolen

Southern Illinois University, with five defeats on its record, tries for the big one Saturday—its Homecoming game with Eastern Illinois State. Game time is 1:30 p.m.

**COACH BILL WALLER** and his players alike are confident they can snap their monotonous losing streak. The Salukis still have a chance to improve on their 1950 record of three wins, five losses and one tie. They have four more games left.

If the Salukis are bringing up their rear in the Interstate Intercollegiate Athletic Conference, they can still claim, for whatever distinction it's worth, the youngest team in the league. Waller's probable starting lineup for Saturday's game, includes four freshmen and four sophomores.

The tentative starters: **le**—Leo Wilson, Blue Island sophomore; **lt**—Harlan Seats, Harrisburg freshman; **lg**—Junior Funderburk, Pana sophomore; **c**—Tim Bowers, Murphysboro freshman; **rg**—Phil Bruno, Chicago junior; **rt**—Lloyd Dunn, Jerseyville freshman; **re**—Bill Wangelin, East St. Louis senior; **li**—Bob Ems, Fisher sophomore; **fb**—John Vanderpluy, Harrisburg junior; **rh**—Valgene Gribble, Harrisburg freshman; **qb**—Joe Huske, Chicago sophomore.

**THREE PLAYERS** received leg injuries in last week's game at Western Illinois State and may not see

action Saturday, Waller reported. They are Guard Lou Bobka, Harrisburg; defensive end Don Ledbetter, Murphysboro; and halfback Verlyn Dobbins, Johnston City.

Much of the burden for Southern's success in the Eastern game will rest with Ems and Huske, Southern's leading ground gainers.

Ems has made over two-thirds of Southern's rushing yardage this season. He's picked up 226 yards in 78 carries for a 2.9 average. Huske has completed 29 out of 70 passes attempted for 346 yards.

## Harriers Nose Out Western By 33-22 Meet Eastern Sat.

Southern's cross-country team seeks its second victory over Eastern Illinois State here Saturday.

The race will be run during halftime of the Southern-Eastern Homecoming football game.

The Salukis gained a one-point victory over Eastern in their first meeting. Southern's record is two wins and one loss.

Coach Leland (Doc) Lingle again will be counting on Captain Phil Coleman to nail down first place in the race. Coleman, defending IAC champion, finished first in Southern's three previous meets.

Last Saturday he helped the Salukis whip Western Illinois State 33-22 after pacing the three and a half mile course in 18:10. Theriot and Jones of Southern, got the next two places in the race while Martin finished sixth, Delia 10th and Toon, 12th.

## Basketball Squad Continues Practice

The 1951-52 version of head coach Lynn Holder's Southern basketball team now has three weeks of pre-season practice under its belt and has until Dec. 1 to round into shape for the opening cage contest of the year against Southern Eastern Louisiana.

In commenting on the progress of the 33-man squad this far, Holder has said that, "The boys have shown a good attitude, a lot of hustle, good rebounding, and a fair ability to hit from the floor."

In all, Southern's cagers tackle a 25-game schedule this year, including 14 I.I.A.C. contests. First league game is Dec. 8 against DeKalb. Concerning the league play, Holder said that, "The conference will be real tough as it usually is, with Eastern, Western, and Normal packing most of the punch."

**TO DATE, THE TEAM** shapes up as having a little more speed than last year with about average height. "Nothing definite, with still over a month of practice remaining, can be said yet, however," added Holder.

"Backbone of the team," asserted Holder, "will most likely come from Tom Millikin, Pinckneyville's

## SIU Gridsters Rack Up 15 Wins

Although the Southern Salukis of 1951 have dropped five consecutive ball games without tasting victory, football at SIU has been far from disastrous during its 35-year stay on the Carbondale campus. In fact, at the start of this season, Southern football men had compiled a 125-123-26 record in 35 years of competition. The five recent losses, however, have dropped Southern's record three games below the 500 percentage at 125-128.

**THIS TOTAL also shows a sum of 3,148 Saluki points as compared**

returning senior captain, and other lettermen: Chuck Thate, Jerry Hallopeter, Don Miller, and Dick Henley, juniors; Bob Nickolaus, sophomore; and Stanley Horst, senior.

"Many good freshmen, some of the best we've had in years, should help to spark the team in '51-'52," said the coach. "Among the promising yearlings: Gil Kurtz and Barney Ross of East St. Louis; Gerald Whittenbrink of Dupuy; Bud Ripplemeyer of Valmyra; Mike Newell of Edwardsville; and Jim Scroggins of Wood River."

with 2,880 pigskin points for opponents. The best year SIU ever had was 1930 when a 9-0-0 record was compiled. A 0-8-0 record in '39 was the worst. In 1930 the Maroons racked up 223 points as compared with 29 in 1939.

The longest winning streak by a Southern team was compiled from 1929-1931 when Maroon teams won 15 straight grid contests. Oddly enough, the Carbondale men gained their sweetest victory and tasted their worst defeat in history both in 1914. That year, they defeated the Institute of Arts and Sciences, 118-0, but also were clubbed by Washington University, 66-0.

**EASIEST TEAM** for the Salukis to beat throughout the years has been Eastern, whom they've beaten 18 times in 32 tries. Toughest foe has been Northern, the DeKalb men having captured 14 of 20 encounters with Southern teams. Cape Girardeau has met SIU eleven the most times and has an 18-24-8 record against the Maroons.

In Homecoming contests, Southern has a 14-9-2 record. This year, with Eastern, SIU's easiest foe, as opposition and with the Salukis holding a .609 winning average in homecoming games, there is hope that tradition will hold out and Southern can down the neighbors from Charleston.
